

5 jeux d'observation

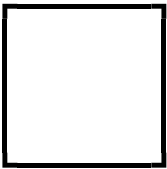

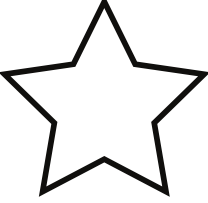

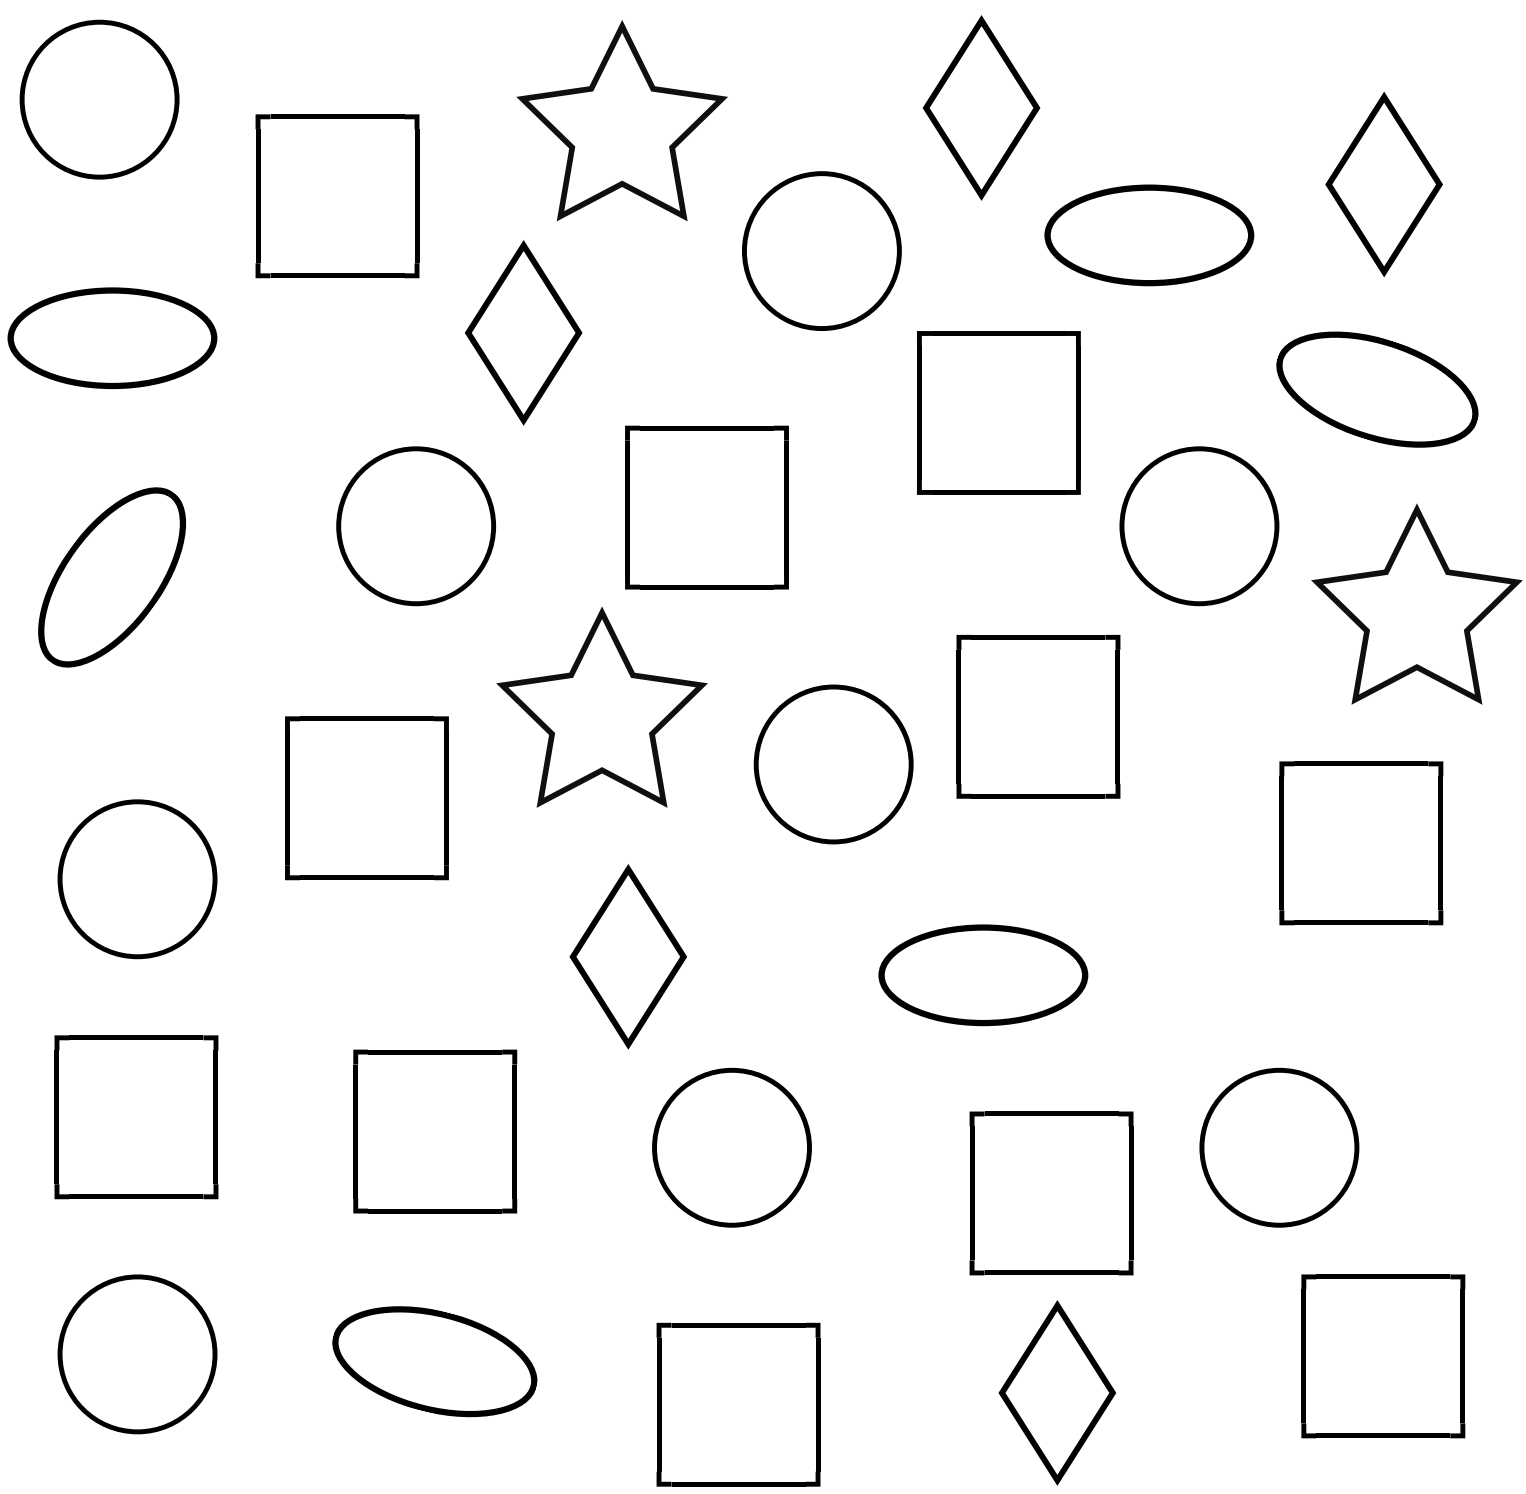

Observe la grande image et entoure dedans les 6 dessins ci-dessous.

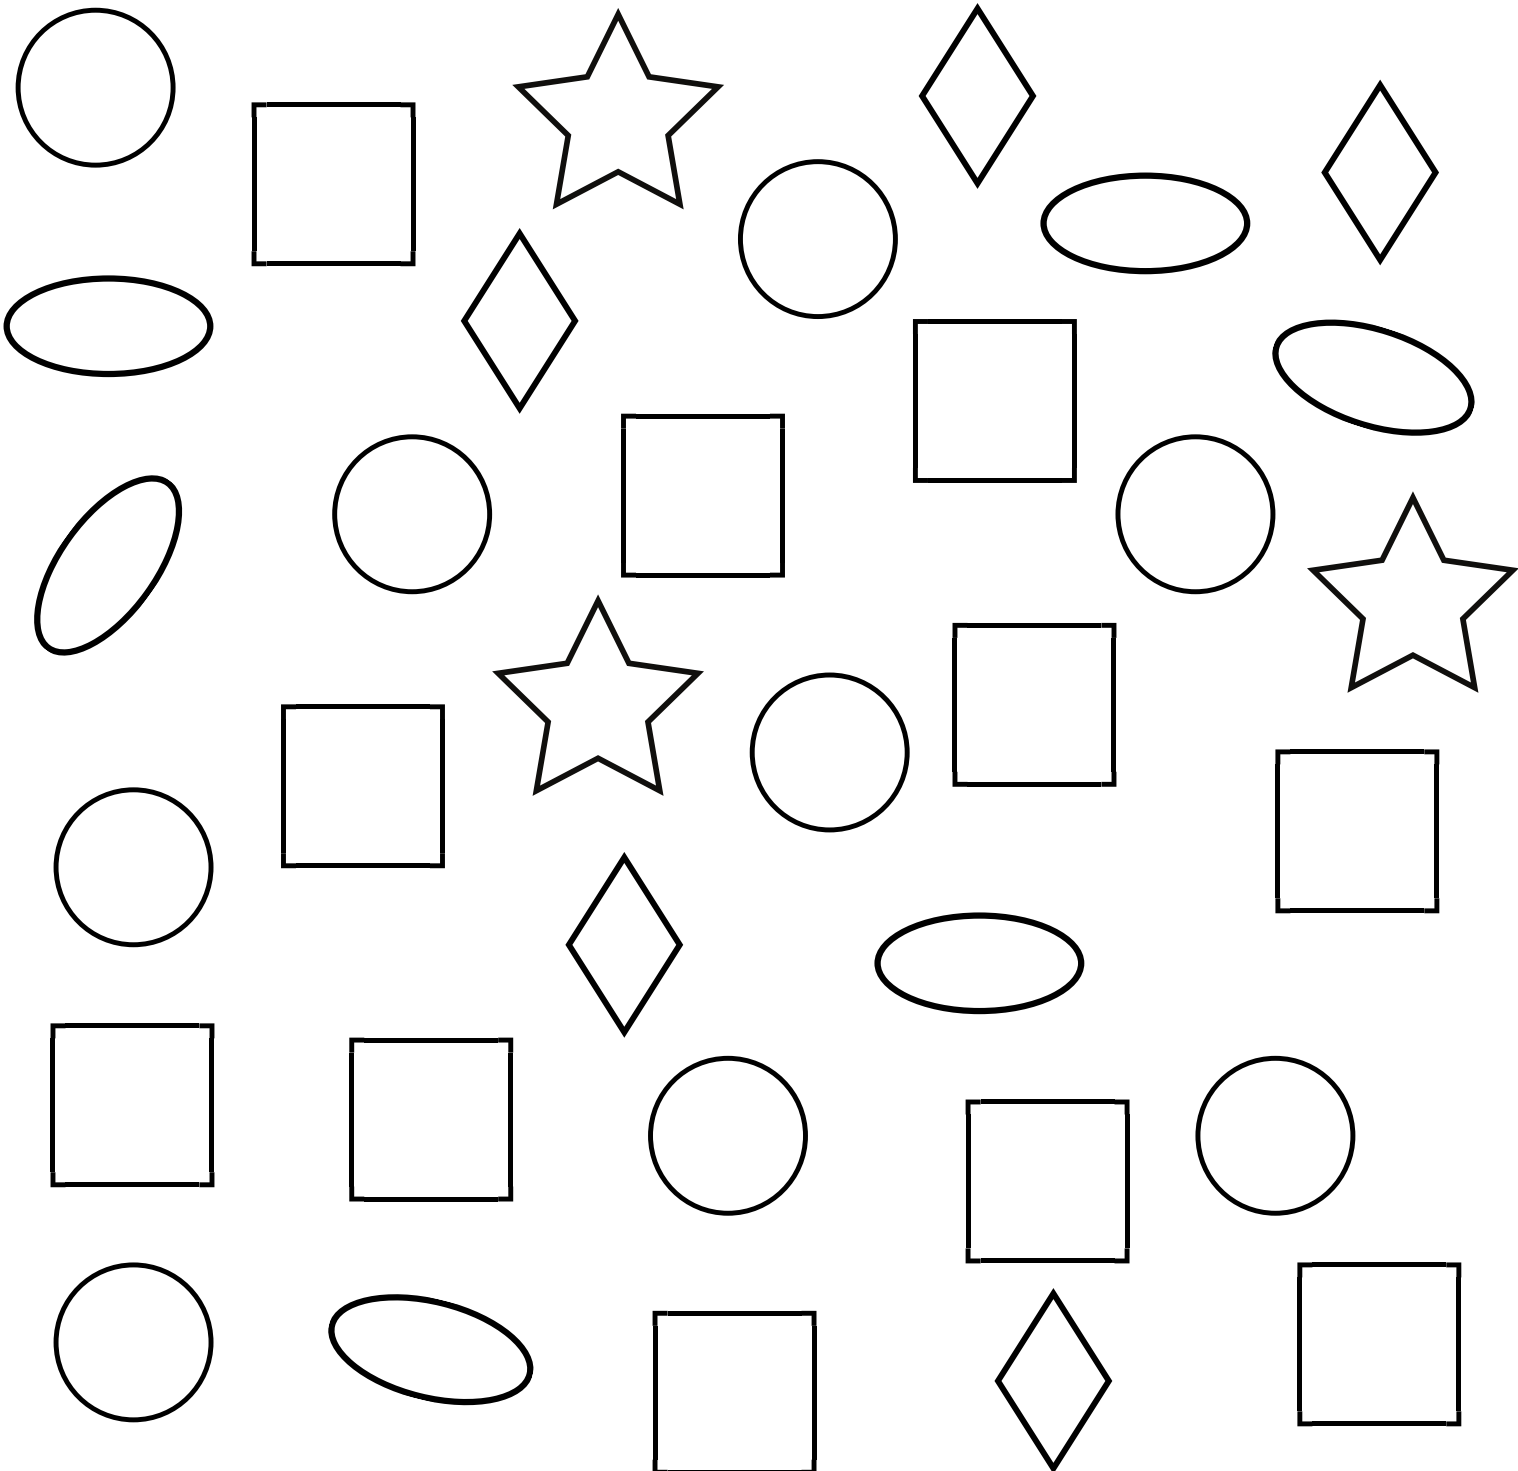

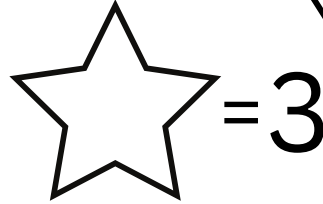

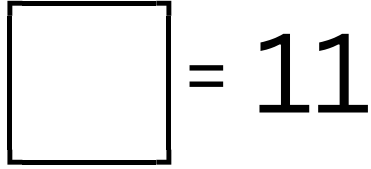

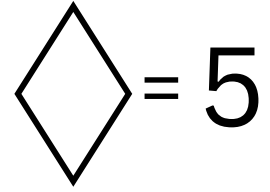

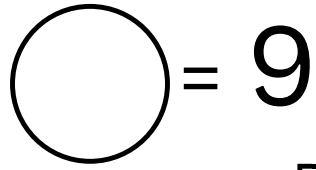

Compte le nombre de chaque forme dans la grande image et écris-le.

 =  =  =

 =  =

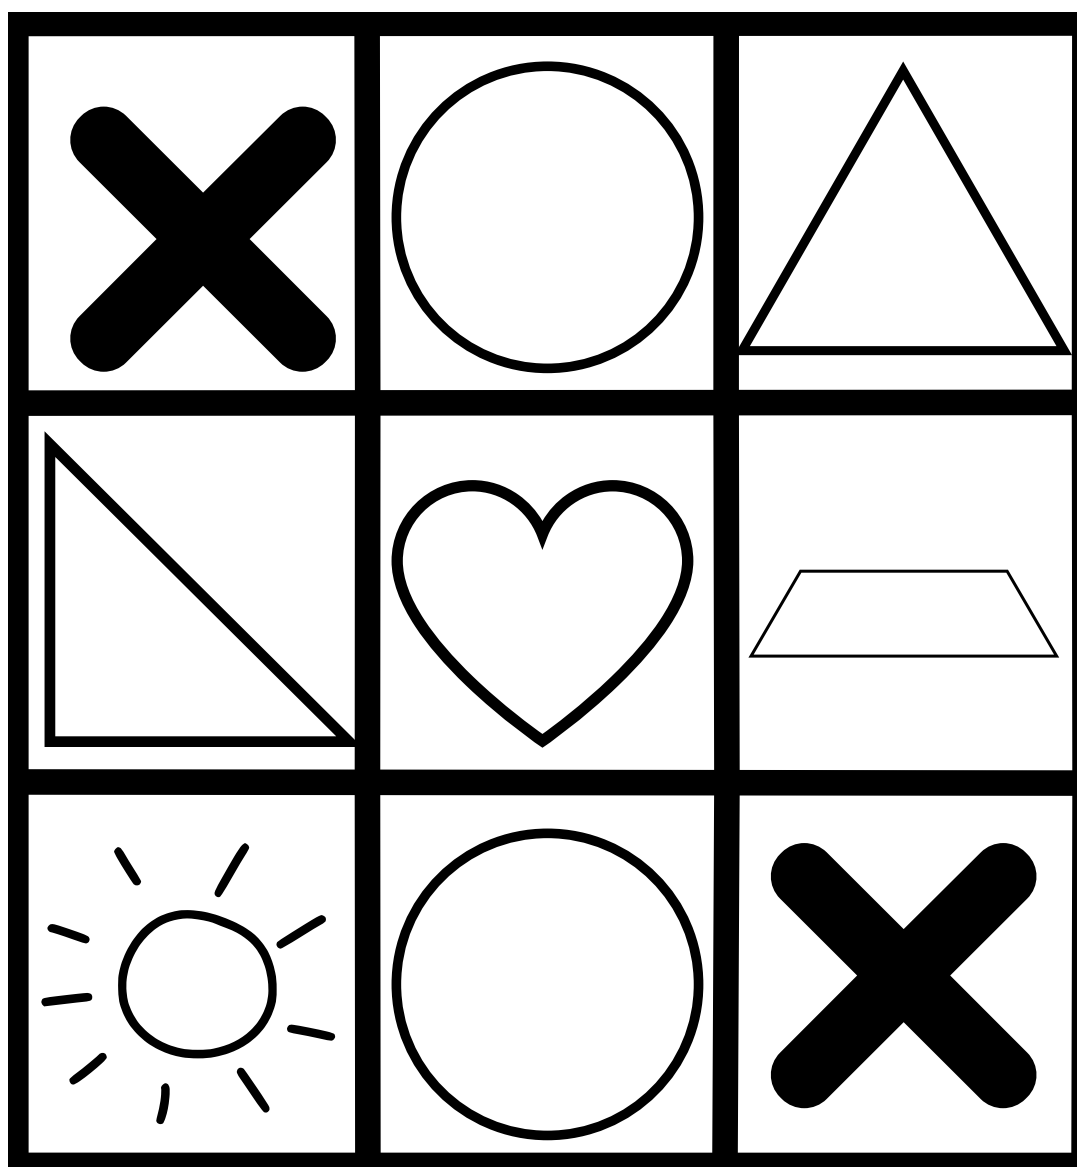

Compte le nombre de chaque forme dans la grande image et écris-le.

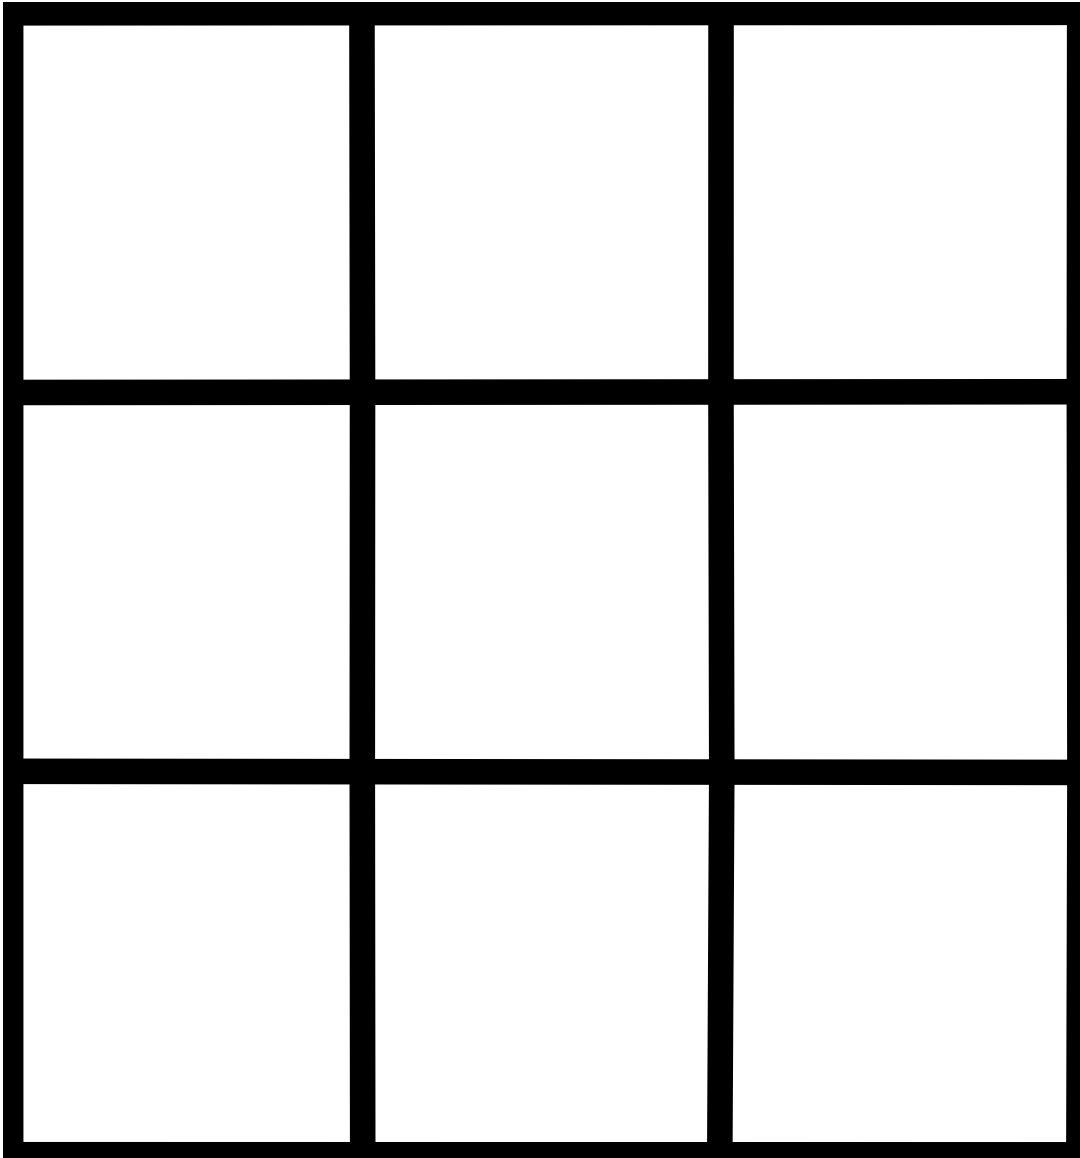

Observe bien la grille, mémorise la forme de chaque élément dans les cases et leur place.

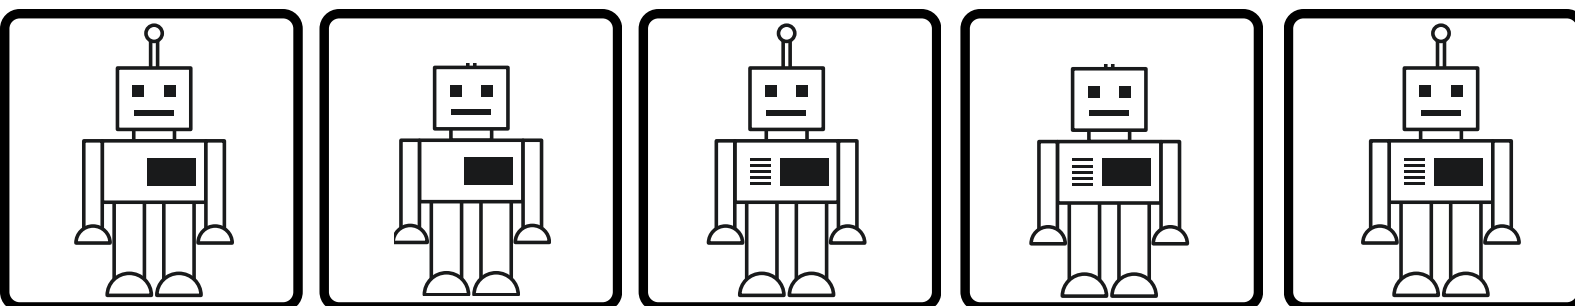

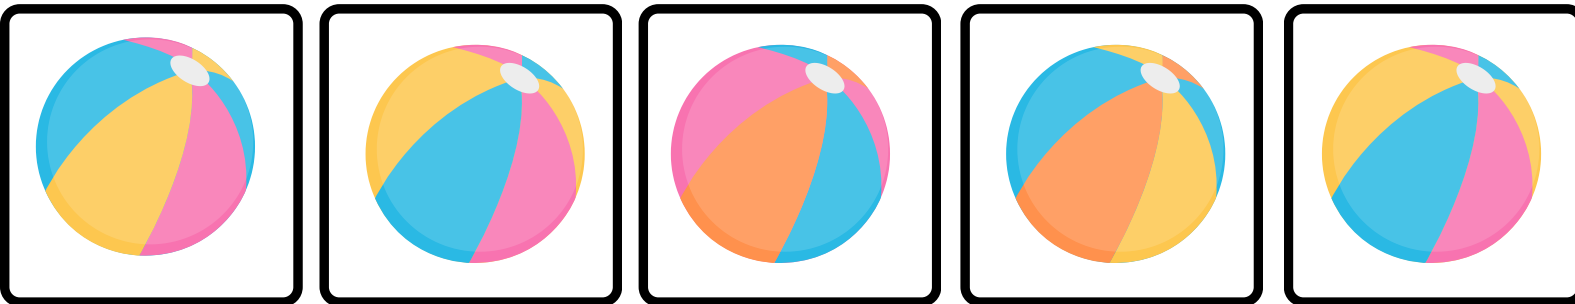

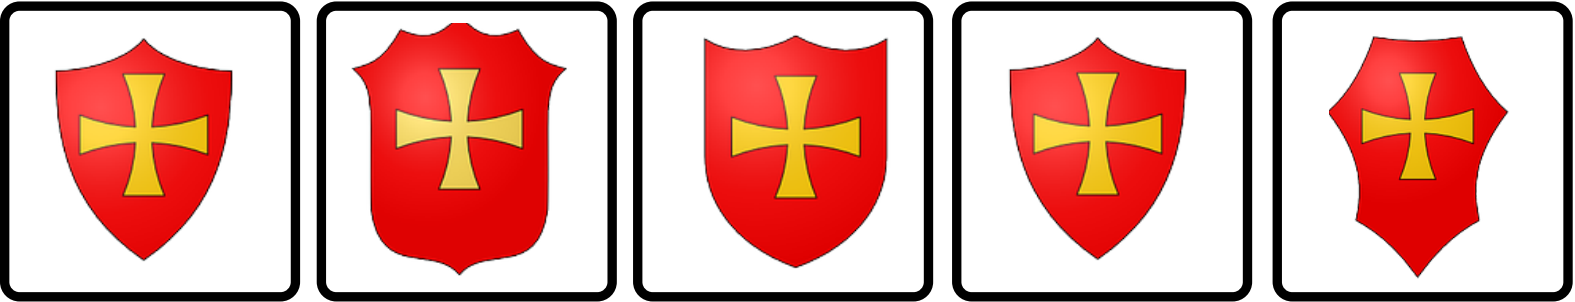

Puis regarde la page suivante.

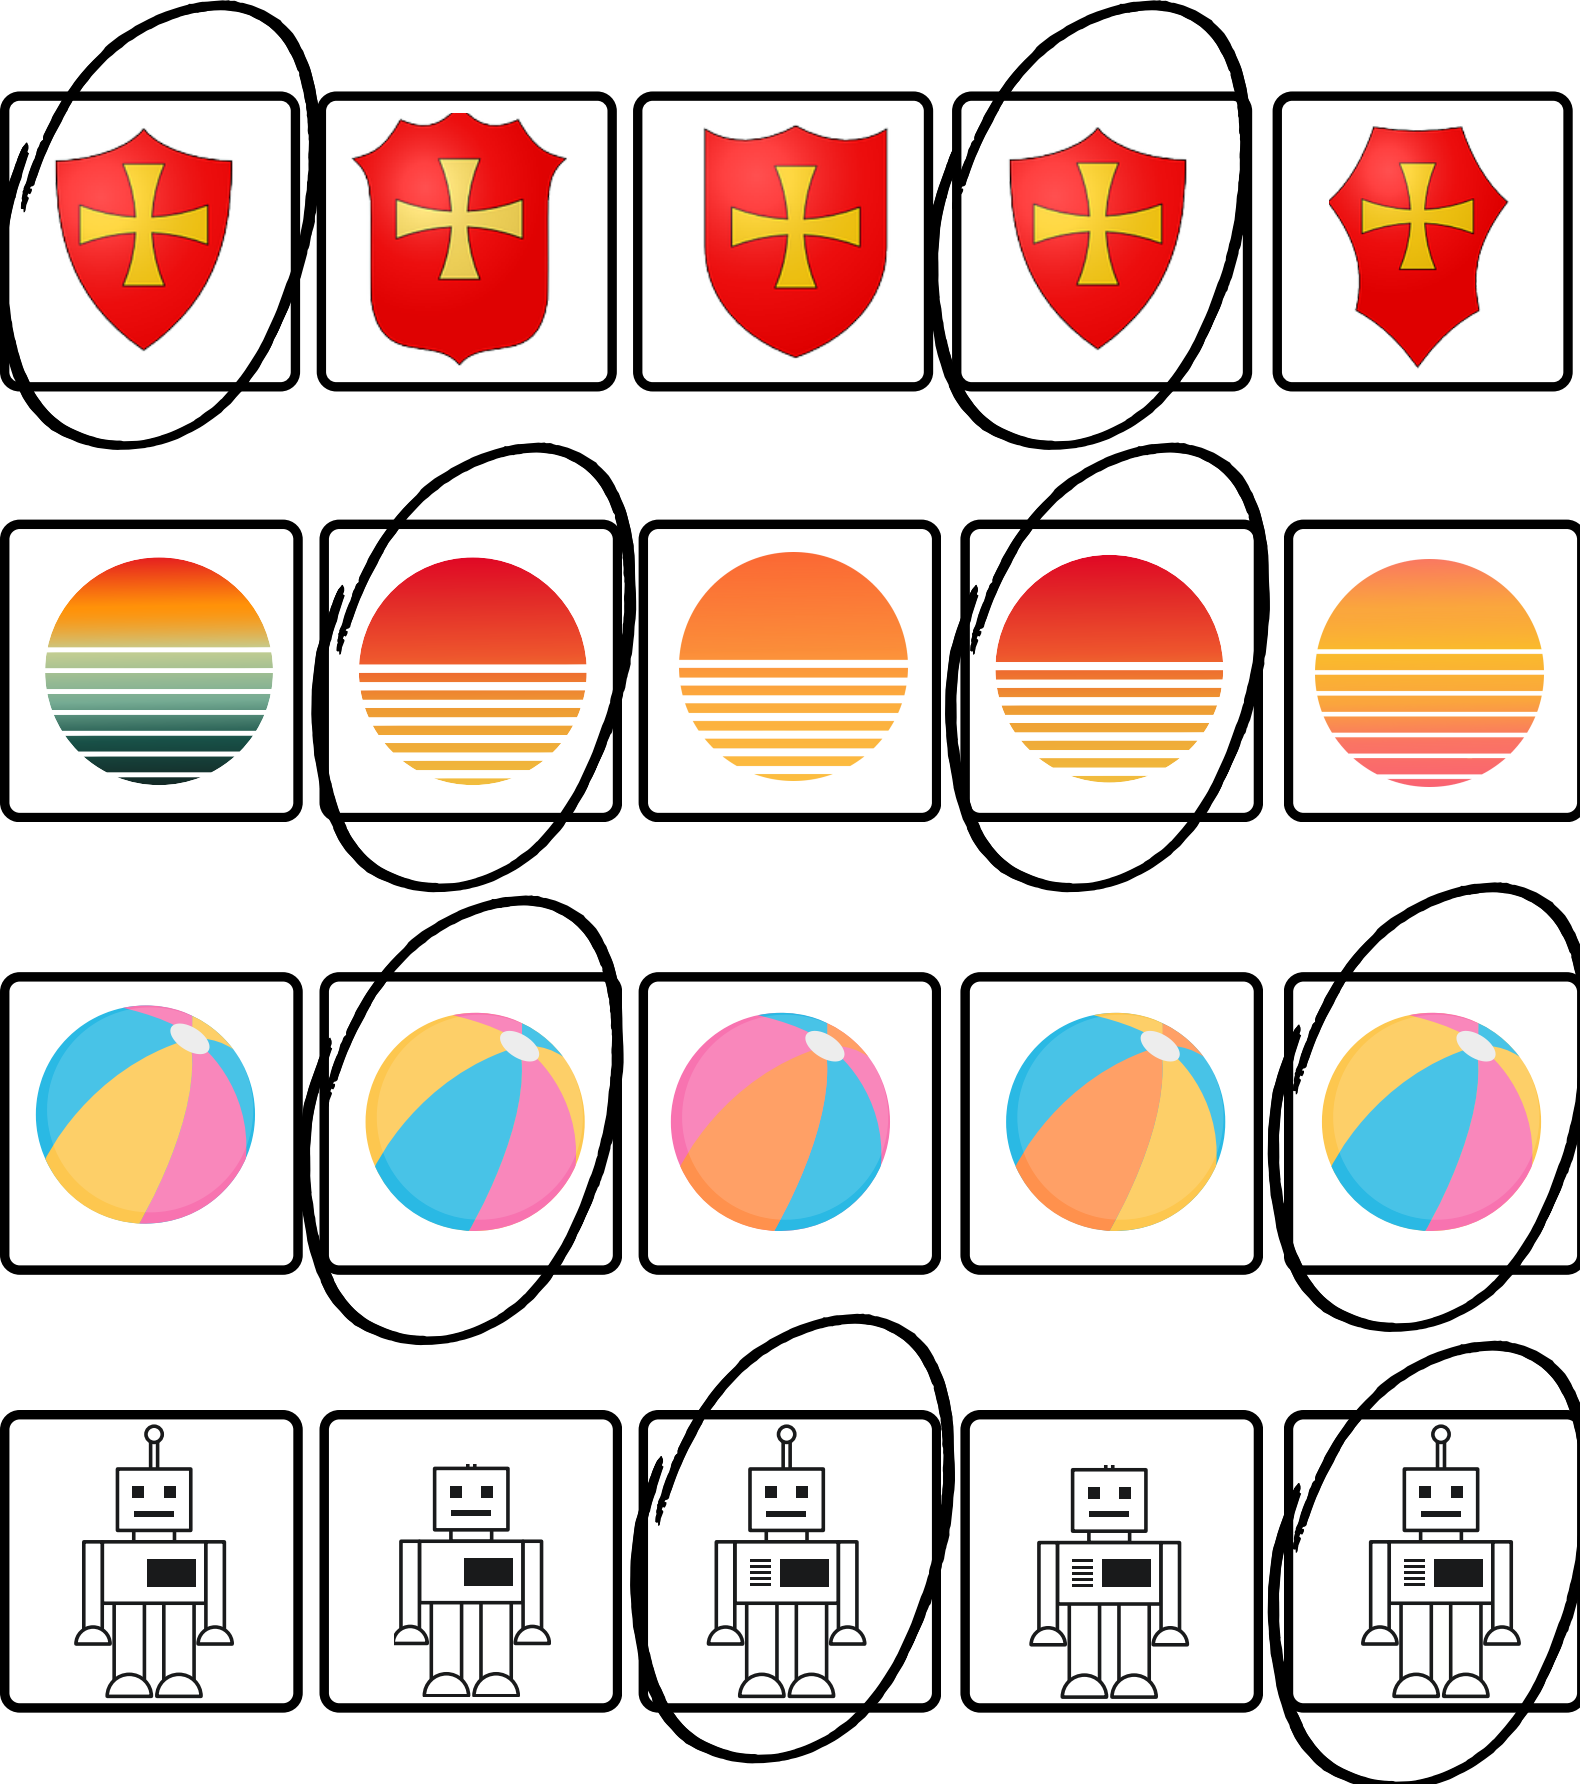

Reproduis les formes à la même place que dans la grille de la page précédente.

Pour chaque ligne, entoure les deux cases qui renferment exactement les mêmes images.

Pour chaque ligne, entoure les deux cases qui renferment exactement les mêmes images.

Trouve les sept différences entre les deux images.

Trouve les sept différences entre les deux images.
